

A Panorama of Tensor Networks: from Condensed Matter to Quantum Field Theory, Holography and Beyond

Contribution ID: 64

Type: **Invited Talk**

[Invited Talk] Magic of strongly interacting quantum matter: tensor network methods and applications

Monday 6 October 2025 09:55 (35 minutes)

Author: DALMONTE, Marcello (The Abdus Salam International Centre for Theoretical Physics (ICTP))

Presenter: DALMONTE, Marcello (The Abdus Salam International Centre for Theoretical Physics (ICTP))
