When a quiz is not a quiz - using the quiz module for other purposes

Saturday 17 February 2024 15:00 (20 minutes)

The quiz module is excellent for creating and administering quizzes in classes. However, the quiz module can easily be used for many other purposes. This lightning talk will explain how to use the different functions in the quiz module to set up other assignments that require assessment such as assignments, reflection papers and feedback sheets. The author will also discuss the advantages of using the quiz module instead of the assignment module.
