

Contribution ID: 30

Type: **Poster presentation**

Development for the precise microwave spectroscopy of muonium with a high magnetic field

Monday 22 May 2023 19:40 (20 minutes)

abstract provided as attached pdf-file

Author: TADA, Hiroki (Nagoya University)

Presenter: TADA, Hiroki (Nagoya University)

Session Classification: Poster Session 1

Track Classification: spectroscopy of exotic atoms
