

Session Program

22-26 May 2023

International Conference on Precision Physics and Fundamental Physical Constants FFK2023

Monday 4

Monday 22 May

16:00

Monday 4: Macroscopic Mass

Session | **Location:** Kleiner Festsaal Universität Wien Universitätsring 1 1010 Wien | **Convener:** Prof. Krzysztof Pachucki

16:00–16:40

Avogadro and Planck constants, two fundamental pillars of the SI

Speaker

Prof. Enrico Massa

16:40–17:20

Testing the quantum nature of gravity in table top experiments

Speaker

Markus Aspelmeyer

17:20
