

Session Program

22-26 May 2023

International Conference on Precision Physics and Fundamental Physical Constants FFK2023

Tuesday 1

Tuesday 23 May

09:00

Tuesday 1: Molecules 1

Session | **Location:** Kleiner Festsaal Universität Wien Universitätsring 1 1010 Wien | **Convener:** Wim Ubachs

09:00–09:45

Cavity-Enhanced Precision Spectroscopy of Molecules

Speaker

Shuiming Hu

09:45–10:05

Fano-like Resonance due to Interference with Distant Transitions

Speaker

Dr Yu Sun

10:05–10:25

Cavity-enhanced double resonance spectroscopy of HD

Speaker

QianHao Liu

10:25
