

Session Program

22-26 May 2023

**International Conference on Precision Physics
and Fundamental Physical Constants
FFK2023**

Tuesday 4

Tuesday 23 May

16:10

Tuesday 4: EDMs and/or Neutrons

Session | **Location:** Kleiner Festsaal Universität Wien Universitätsring 1 1010 Wien | **Convener:** Eberhard Widmann

16:10–16:35

The n2EDM experiment searching for a neutron electric dipole moment

Speaker

Kseniia Svirina

16:35–16:50

Cs in a cryogenic matrix: towards a measurement of the electron electric dipole moment

Speaker

Sebastian Lahs

16:50–17:35

High Precision Experiments with Cold and Ultra-Cold Neutrons

Speaker

Hartmut Abele

17:35
