

## **Session Program**

**17 October 2022**

**JG ALICE @ Stefan Meyer Institute, Vienna**

***Open session***

Vienna, SMI, Kegelgasse 27, 1030 Vienna

# Monday 17 October

13:00

## Open session

**Session** | **Location:** Vienna, SMI, Kegelgasse 27, 1030 Vienna

13:00–13:10 **Welcome**

**Speaker**  
Eberhard Widmann

13:10–14:10  
**Studying nuclear dynamics with high energy photons at the LHC and future EIC**

**Speaker**  
Aleksandr Bylinkin

14:15–15:15 **Emergent phenomena in high-density QCD matter at the LHC**

**Speaker**  
David Dobrigkeit Chinellato

15:15–15:45 **Coffee**

15:45–16:45  
**A walk around the phase diagram of nuclear matter: from stars to ALICE**

**Speaker**  
Valentina Mantovani Sarti

16:50–17:50 **Heavy Flavors, Phenomenology and Soft Photons**

**Speaker**  
Martin Andreas Volkl

17:55
