

Session Program

6-8 Sept 2021

**Anomalies and Precision in the Belle II Era -
Workshop**

Session on $g-2$

Tuesday 7 September

14:00

Session on g-2

Session

14:00–14:20

Muon g-2, experiment+theory (Remote)

Speaker

Dominik Stoeckinger

14:30–14:50

tau g-2 in tau decays and other probes of lepton flavour (Remote)

Speaker

Matteo Fael

15:00–15:15

Neutrino magnetic moments (Remote)

Speaker

Vedran Brdar

15:15
