

Session Program

23 May 2024

**Early Career Researchers in Particle Physics
in Austria**

Particle Physics in Austria

Vienna
Nikolsdorfer Gasse 12 1050 Vienna

Thursday 23 May

10:00

Particle Physics in Austria

Session | **Location:** Vienna, Nikolsdorfer Gasse 12 1050 Vienna

10:00–10:15 **Introduction**

Speaker

Yannick Dengler

10:15–10:45 **Current Physics Landscape and Motivation for Future Experiments**

Speaker

Jochen Schieck

10:45–11:15 **Future Colliders**

Speaker

Alexander Huschauer

11:15–11:35 **Break**

11:35–12:05 **Astroparticle Physics and APPEC**

Speaker

Josef Pradler

12:05–12:35 **Low Energy / Precision Physics**

Speaker

Eberhard Widmann

12:35–13:05 **ECFA and the Europeans Particle Physics Strategy Update (EPPSU)**

Speaker

Simon Platzer

13:05
