

IAS Program on High Energy Physics (HEP 2021)

Contribution ID: 88

Type: **not specified**

#1: Plasma Wakefield Acceleration: Current Status and Roadmap to First Applications and the Energy Frontier

Friday 15 January 2021 13:00 (50 minutes)

Scheduling Preferences

Presenter: HOGAN, Mark J. (SLAC National Accelerator Laboratory)

Session Classification: Mini-workshop: Plasma Acceleration

Track Classification: Accelerator
