

IAS Program on High Energy Physics (HEP 2021)

Contribution ID: 99

Type: **not specified**

#3: MeV Hard X-ray Micro-spot Sources Based on Laser Wake-field Accelerator and 3D Imaging Applications

Friday 15 January 2021 23:30 (30 minutes)

Scheduling Preferences

Presenter: GU, Yuqiu (China Academy of Engineering Physics)

Session Classification: Mini-workshop: Plasma Acceleration

Track Classification: Accelerator
