

IAS Program on High Energy Physics (HEP 2021)

Contribution ID: 160

Type: not specified

#7: Status and Prospects of TPC Module and Prototype at High Luminosity Z

Thursday 21 January 2021 18:00 (20 minutes)

Scheduling Preferences

Presenter: QI, Huirong (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Conference: Experiment/Detector - Detectors

Track Classification: Experiment / Detector
