

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 217

Type: **not specified**

CEPC Beam-beam Effects Studies

Thursday 13 January 2022 17:30 (20 minutes)

Scheduling Preferences

Presenter: ZHANG, Yuan (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Mini-workshop: Accelerator Physics - Key Beam Physics and Technologies Issues for Colliders
