

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 219

Type: **not specified**

CEPC Linac Injector Design

Thursday 13 January 2022 18:10 (20 minutes)

Scheduling Preferences

Presenter: MENG, Cai (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Mini-workshop: Accelerator Physics - Key Beam Physics and Technologies Issues for Colliders
