

## IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 227

Type: **not specified**

# 650MHz High Power High Efficiency Klystron

*Thursday 13 January 2022 22:10 (20 minutes)*

## Scheduling Preferences

**Presenter:** ZHOU, Zusheng (Institute of High Energy Physics, Chinese Academy of Sciences)

**Session Classification:** Mini-workshop: Accelerator Physics - Key Beam Physics and Technologies  
Issues for Colliders
