

## IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 233

Type: **not specified**

# On Polarization and Energy Calibration in $e^+e^-$ Colliders

*Friday 14 January 2022 16:00 (20 minutes)*

## Scheduling Preferences

**Presenter:** NIKITIN, Sergei (Budker Institute of Nuclear Physics (BINP))

**Session Classification:** Mini-workshop: Accelerator Physics - Key Beam Physics and Technologies Issues for Colliders
