

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 235

Type: **not specified**

CEPC Collider Ring and Booster Magnets R&D

Friday 14 January 2022 16:50 (20 minutes)

Scheduling Preferences

Presenter: YANG, Mei (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Mini-workshop: Accelerator Physics - Key Beam Physics and Technologies
Issues for Colliders
