

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 245

Type: **not specified**

CEPC Plasma Injector Studies

Friday 14 January 2022 21:20 (20 minutes)

Scheduling Preferences

Presenter: LI, Dazhang (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Mini-workshop: Accelerator Physics - Key Beam Physics and Technologies Issues for Colliders
