

## IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 253

Type: **not specified**

# Primordial Black Holes as Dark Matter in the View of LIGO/Virgo Observations

*Thursday 13 January 2022 10:00 (30 minutes)*

**Presenter:** CLESSE, Sébastien (Free University of Brussels (ULB))

**Session Classification:** Mini-workshop: Theory - Searching for New Physics at Various Energy Scales
