

## IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 266

Type: not specified

# Ultra-diffuse Galaxies and Their Complications for Testing Dark Matter Theories

*Friday 14 January 2022 10:40 (30 minutes)*

**Presenter:** YU, Hai-bo (University of California, Riverside)

**Session Classification:** Mini-workshop: Theory - Searching for New Physics at Various Energy Scales
