

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 270

Type: **not specified**

Recent Developments in the Very-high-energy Gamma-ray Astronomy

Friday 14 January 2022 15:30 (30 minutes)

Scheduling Preferences

Presenter: ZHOU, Hao (Tsung-Dao Lee Institute, Shanghai Jiao Tong University)

Session Classification: Mini-workshop: Theory - Searching for New Physics at Various Energy Scales
