

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 274

Type: **not specified**

Cosmic Ray Boosted Dark Matter for Overcoming the Direct Detection Threshold

Friday 14 January 2022 17:40 (30 minutes)

Scheduling Preferences

Presenter: GE, Shao-Feng (Tsung-Dao Lee Institute, Shanghai Jiao Tong University)

Session Classification: Mini-workshop: Theory - Searching for New Physics at Various Energy Scales
