

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 306

Type: **not specified**

Pixelated Time Projection Chamber Tracker Detector Technology

Thursday 13 January 2022 19:50 (40 minutes)

Scheduling Preferences

Presenter: KLUIT, Peter (National Institute for Subatomic Physics (NIKHEF))

Session Classification: Mini-workshop: Experiment/Detector - Innovation in HEP Detectors and Computing
