

IAS Program on High Energy Physics (HEP 2022)

Contribution ID: 312

Type: **not specified**

Opticks : Innovation in Optical Photon Simulation via State-of-the-art GPU Ray Tracing from NVIDIA® OptiX™

Friday 14 January 2022 15:00 (45 minutes)

Scheduling Preferences

Presenter: BLYTH, Simon (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Mini-workshop: Experiment/Detector - Innovation in HEP Detectors and Computing
