## Equation of state of nuclear matter using AV8' and AV6' potentials

Equation of state of nuclear matter using AV8' and AV6' potentials

*Z. Asadi and M. Bigdeli*

Department of Physics, University of Zanjan, Zanjan, Iran

The equation of state (EOS) of asymmetric nuclear matter have long been realized as a crucial parameter to under

In this work, we have calculated the equation of state of asymmetric nuclear matter using lowest order constr
