Type: Poster Presenter

Using Different Mordanting Methods for Dyeing Tencel Fabric with Punica Granatum Peel Extracted Dye

Introduction
Experimental
Results and Discussion
Conclusion

Author: Mr REHMAN, Faisal

Co-author: Prof. WEI, Wang (College of Chemistry, Chemical Engineering and Biotechnology, Donghua University, Shanghai, China)

Presenters: Mr NAVEED, Tayyab; Mr ABRO, Zamir Ahmed (Department of Textile Engineering, BUIITEMS, Quetta); Dr SIDDQUI, Muhammad Qasim (Department of Textile Engineering, BUIITEMS Quetta); Mr NADEEM, Muhammad

Track Classification: Textile Engineering & Technology
