

# **European Cryogenics Days & Cryogenic Heat and Mass Transfer Workshop 2025**

**Monday 27 October 2025 - Thursday 30 October 2025**

**University of Twente**

## **Scientific Programme**

## **Liquid Hydrogen Technologies**

## **Liquid Hydrogen in Aviation**

## **Cryogenics for Quantum Technologies**

## **Cryocoolers**

## **Cryogenics in Big Science**

## **Low-temperature heat and mass transfer phenomena**

## **Cryogenic components and systems**

## **Cryogenics for Superconductivity Applications**

## **Novel Cryogenic Technologies**

## **Technology Transfer for Novel Cryogenic Concepts**
