

Announcement

Organizing Committee:

Kamal Benslama (Loyola University Maryland, USA)

Kétévi Adikle Assamagan (BNL, USA)

Farida Fassi (Mohammed V University in Rabat, Morocco)

Charged Higgs Online workshop

30-31 August 2021

Proceeding

- **Contributions to the special Issue:**
- **“Symmetry, Collider, Phenomenology and HEP”**
 - Website: https://www.mdpi.com/journal/symmetry/special_issues/Collider_Phenomenology
- Interested speakers to submit proceedings
 - They are encouraged to contact the Organizing Committee
 - **The contribution template will be sent**
- **Deadline for manuscript submissions is on 28 February 2022**
- Colleagues interested in submitting a paper within the scope of the Symmetry Journal are encouraged to contact the co-editors
 - **Kamal Benslama and Kétévi Assamagan are Guest Editors**

Future of the workshop

- Biennially, rotating different African countries
- Extended to include not just charged Higgs but BSM
- Encourage not just international but also African participation
- **The goals are:**
 - **Help to engage African participation in HEP**
 - **Increase representation by African institutes/universities**
 - **Encourage retention in Africa**
 - **Enhance the networking among African countries and the rest of the globe**
- **Date and location of the next workshop to be communicated in due course**

backup

- ❑ **High Visibility:** Indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [CAPlus / SciFinder](#), [Inspec](#), and many other databases.
- ❑ **Journal Rank:** [JCR](#) - [Q2 \(Multidisciplinary Sciences\)](#)

❑ **Aims and Scope**

Symmetry is an international, peer-reviewed, open access journal covering research on symmetry/asymmetry phenomena wherever they occur in all aspects of natural sciences.

❑ **Awards**

Symmetry also offers some awards for Best Papers, reviewers and authors, for example:

- **Symmetry 2023 Best Paper Award**
- **Symmetry 2023 Outstanding Reviewer Awards (500 CHF)**
- **Symmetry 2023 Young Investigator Award (2,000 CHF)**
- Etc.

<https://www.mdpi.com/journal/symmetry/awards>

❖ Call For Paper: [Symmetry] Special Issue - Symmetry, Collider Phenomenology and High Energy Physics

- ❑ **Website:** https://www.mdpi.com/journal/symmetry/special_issues/Collider_Phenomenology
- ❑ **Guest Editors:** Kamal Benslama and Kétévi Assamagan
- ❑ **Deadline for manuscript submissions:** 28 February 2022

- ❑ In this Special Issue, original research articles and reviews are welcome.
Research areas may include (but are not limited to) the following:
 - Collider
 - Particle physics phenomenology
 - Experimental high-energy physics
 - Experimental particle physics
 - Physics beyond the standard model
 - Exotics physics
 - Electroweak symmetry breaking
 - New physics
