Saturday 22 April

09:00

Sobota: Dopolodne

Session | **Location:** Other Institutes, Hotel Skála, Malá Skála

09:00–09:30

Large scale nuclear structure calculations within no-core shell model

Speaker

Frantisek Knapp

09:30–10:00

Computational challenges in nuclear energy density functional methods

Speaker

Petr Vesely

10:00–10:30

Super-radiance

Speaker

Pavel Cejnar

10:30–11:00

Pauza

11:00–11:30

Kvantové fázové přechody v Dickeho modelu

Speaker

Michal Kloc

11:30–12:00

Radiative corrections in decays of light neutral mesons

Speaker

Tomas Husek

12:00–12:30

Green functions of chiral currents and their OPE

Speaker

Tomas Kadavy

12:30

19:00

21:00

Sobota: Společenský večer

Session | **Location:** Other Institutes, Hotel Skála, Malá Skála
