

## **Session Program**

**27-29 May 2024**

# **JUNO European + American Collaboration Meeting Spring 2024**

## ***Electronics and hardware***

FMFI UK, Pavilion F1 (Physics)  
Mlynská dolina 842 48 Bratislava, Slovakia

# Monday 27 May

16:00

## Electronics and hardware

**Session** | **Location:** FMFI UK, Pavilion F1 (Physics), Mlynská dolina 842 48 Bratislava, Slovakia

16:00-16:15

### Preliminary tests for radiopurity measurements capability during the JUNO water phase

**Speaker**

Andrea Barresi

16:15-16:30

### Trigger studies in light-off tests

**Speaker**

Feng Gao

16:30-16:45

### SPMT status: commissioning and simulation

**Speaker**

Cecile Jollet

16:45-17:00

### Gain Calibration and Cross-Talk Studies

**Speaker**

Adrienne Jacobi

17:00-17:20

### TAO readout electronics and 1:1 prototype status report

**Speaker**

Andrea Fabbri

17:20-17:40

### TAO offline software status and activities in Rome

**Speaker**

Elia Stanescu Farilla

17:40-18:00

### Updates to TT Elecsim simulation

**Speaker**

Rebin Karaparambil (remote)

18:00
