

Dear Conference Participant,

Welcome to the 2019 TeV Particle Astrophysics conference. This sheet contains some basic information about the conference.

### **Conference venue**

TeVPA 2019 will be held at the Sydney Nanoscience Hub (SNH), located on Physics Road at the University of Sydney's Camperdown campus. All the plenary talks will be in the Messel Lecture Theatre 4002, while parallel sessions will be in SNH Rooms 4002, 4001, 3001, 3003 and Physics LT 1 (see the program for session room allocation).

### **Internet**

Within the university campus you can use eduroam to connect to the wireless network. Within the conference venue you can also use the UniSydney-Guest network with

Username: **tevpa2019**

Password: **tevpa2019p**

### **Talks and posters**

We kindly ask you to upload your talk through the Indico system as soon as it is ready and no later than 1 hour before the start of the designated session. If you experience difficulties in uploading the talk, please bring your talk on a memory stick to the session chair, or contact conference organizers, well in advance. The conference web-page and Indico system can be accessed through this link:

<https://indico.cern.ch/event/828038/overview>

There will be two dedicated poster sessions during the morning coffee breaks, 10:30-11:00 on Tuesday and Wednesday. We will run poster competition and winners will be announced during the conference dinner

### **Dining options**

On Campus: For on-Campus eateries see here <http://sydney.edu.au/campus-life/food-shops-bars.html>. The nearest to the SNH is Ralph's Cafe in the Arena Sports Centre just across the road from the Physics Building, which offers coffee, cake, and light meals. Bear in mind that this may get very crowded if everyone heads there for lunch!

Around Campus: There is a high concentration of reasonably-priced restaurants on King Street, Newtown and on Glebe Point Rd (the latter being generally a bit more expensive than the former).

### **Welcome reception**

Monday December 2, 2019, 18:30-20:30. The welcome reception will be in the courtyard in front of the Sydney Nanoscience Hub (SNH) building. In case of bad weather it will be in the foyer of the SNH building.

### **Conference dinner**

Thursday December 5, 2019, from 19:00. The conference dinner will be held at the [Dockside restaurant at Cockle Bay Wharf](#). We will organize bus transportation to the dinner venue.

### **Public talk by Professor Paolo Gondolo**

Professor Paolo Gondolo will give a public lecture on "The Mystery of Cosmic Darkness" on Tuesday December 3, 2019, 19:00 at the Messel Lecture Theatre, Sydney Nanoscience Hub. Attendance is free, but you need to register following the link <https://www.eventbrite.com.au/e/professor-paolo-gondolo-the-mystery-of-cosmic-darkness-tickets-81261582581>

### **Self-organised excursion**

No talks have been scheduled for the afternoon (from 13:00) of Wednesday December 4, 2019. We encourage participants to use this time for recreation. Follow the link for some recommendations <https://indico.cern.ch/event/828038/page/17447-things-to-do>

For further information do not hesitate to contact the members of local organizing committee or student volunteers. The email address for the conference organization is [tevpa.conference@sydney.edu.au](mailto:tevpa.conference@sydney.edu.au)

We very much hope that you enjoy the conference and your stay in Sydney!

The Local Organising Committee
