Wednesday Parallel II.A

Session | **Location:** Room A | **Convener:** Ciaran Williams

10:30–10:55 **Two-loop QCD corrections to Wbb production at hadron colliders**

Speaker

Heribertus Bayu Hartanto

11:00–11:25

Two-loop helicity amplitudes for diphoton plus jet production in full color

Speaker

Federico Buccioni

11:30–11:55

Two-loop QCD helicity amplitudes for $2 \rightarrow 3$ processes

Speaker

Herschel Chawdhry

12:00–12:25

NNLO EWxQCD corrections to on-shell Z production

Speaker

Dr Narayan Rana

12:25
