Thursday Parallel I.A

Session | **Location:** Room A | **Convener:** Massimiliano Grazzini

08:00–08:25

Time-like Transition Form Factor for CP-odd Higgs Boson Production

Speaker

Tsuneo Uematsu

08:30–08:55

ZH production in gluon fusion: NLO corrections with full top quark mass dependence

Speaker

Matthias Kerner

09:00–09:25

Full NLO predictions for ZZ scattering and its irreducible background at the LHC

Speaker

Timo Schmidt

09:30–09:55

Calculation of NLO cross sections for opposite-sign WW scattering

Speaker

Robert Franken

09:55
