

Session Program

13-14 Oct 2022

Belgian-Dutch Gravitational Wave Meeting 2022

***Updates from other experiments /
collaborations***

Het Pand, Vergaderzaal 2.3 August Vermeylen
Onderbergen 1, 9000 Ghent, Belgium

Thursday 13 October

10:55

Updates from other experiments / collaborations

Session | **Location:** Het Pand, Vergaderzaal 2.3 August Vermeylen, Onderbergen 1, 9000 Ghent, Belgium |
Convener: Jean-René Cudell

10:55-11:15 **Virgo Instrumentation**

Speaker

Sebastian Steinlechner

11:15-11:35 **ETPathfinder**

Speaker

Paul Kuijer

11:35-12:05 **LIGO-Virgo-KAGRA Observational Science**

Speaker

Chris Van Den Broeck

12:05-12:25 **Why gravitational waves need neutrinos**

Speaker

Gwen W De Wasseige

12:25

Friday 14 October

10:55

Updates from other experiments / collaborations

Session | **Location:** Het Pand, Vergaderzaal 2.3 August Vermeylen, Onderbergen 1, 9000 Ghent, Belgium |
Convener: Giacomo Bruno

10:55–11:15

E-TEST

Speaker

Christophe Collette

11:15

12:00

Updates from other experiments / collaborations

Session | **Location:** Het Pand, Vergaderzaal 2.3 August Vermeylen, Onderbergen 1, 9000 Ghent, Belgium |
Convener: Giacomo Bruno

12:00–12:30

LISA Science

Speaker

Elena Rossi

12:30
