

Session Program

2 November 2018

3rd Workshop on Korean Neutrino Observatory

Perspective of Particle and Astrophysics

Kyungpook National University, Room #120, Building 208 (1 120)
80 Daehakro, Bukgu, Daegu 41566 Korea

Friday 2 November

09:50

Perspective of Particle and Astrophysics

Session |**Location:** Kyungpook National University, Room #120, Building 208 (1 120), 80 Daehakro, Bukgu, Daegu 41566 Korea |**Convener:**

09:50-10:15

Future Perspective of Particle Physics and Astrophysics

Speaker

10:15-10:40

Developments in Neutrino Physics

Speaker

Stephen Parke

10:40
