

## **Session Program**

**2 November 2018**

# **3rd Workshop on Korean Neutrino Observatory**

## ***Korean Neutrino Telescope***

Kyungpook National University, Room #120, Building 208 ( 1 120 )  
80 Daehakro, Bukgu, Daegu 41566 Korea

## Friday 2 November

13:30

### Korean Neutrino Telescope

**Session |****Location:** Kyungpook National University, Room #120, Building 208 ( 1 120 ), 80 Daehakro, Bukgu, Daegu 41566 Korea |**Convener:**

13:30-13:55

#### Neutrinos from Supernova and Supernova Follow-up Observation

**Speaker**

13:55-14:20

#### Neutrinos from Failed Supernova

**Speaker**

14:20-14:45

#### Neutrinos from Gamma-ray Burst and Quasars

**Speaker**

14:45-15:10

#### Solar Neutrinos and Neutrinos from Solar Flare

**Speaker**

15:10
