

Session Program

2 November 2018

3rd Workshop on Korean Neutrino Observatory

KNO Physics Potentials and Korean Efforts

Kyungpook National University, Room #120, Building 208 (1 120)
80 Daehakro, Bukgu, Daegu 41566 Korea

Friday 2 November

15:35

KNO Physics Potentials and Korean Efforts

Session |

Location: Kyungpook National University, Room #120, Building 208 (1 120), 80 Daehakro, Bukgu, Daegu 41566 Korea |

Convener:

15:35-16:00
Dark Matter Search at Neutrino Detectors

Speaker

16:00-16:25
CP Violation in Neutrino Sector and Proton Decay

Speaker

16:25-16:50
KNO Organization and Proposal

Speaker

16:50
