

Session Program

5-7 Feb 2020

**Multi-messenger Astronomy and Astrophysics
Workshop**

KNO Science, Astrophysics II

Muju Resort, Korea

Friday 7 February

11:00

KNO Science, Astrophysics II

Session | Location: Muju Resort, Korea | Convener: Gungwon Kang

11:00-11:30 Neutrinos from Hypercritical Accretion

Speaker
Myeong-Gu Park

11:30-12:00
Neutrinos from relic supernova and nearby core collapse (including failed SNe)

Speaker
Sang Chul Kim

12:00-12:30 Neutrino Emissions from Tidal Disruption Remnants

Speaker
Kimitake Hayasaki

12:30
