

Session Program

25-26 Aug 2023

HIM2023-08 (Pusan National University)

Electron-Ion Collider

308 (1) 317
Dept. of Physics Pusan National University

Friday 25 August

14:00

15:20

Electron-Ion Collider

Session | **Location:** 308 (1) 317 , Dept. of Physics Pusan National University

14:00-14:40

Exploring hadron structure through light-front dynamics

Speaker

yongwoo choi

14:40-15:20

Recent spin results at RHIC

Speaker

Jeongsu Bok
