

# The Surprising Structure of Non-Relativistic 11-dimensional Supergravity

*Tuesday 29 April 2025 15:30 (30 minutes)*

I will discuss the surprising structure of non-relativistic 11-dimensional supergravity, and some of its supersymmetric solutions, based on <https://arxiv.org/abs/2407.21648> and <https://arxiv.org/abs/2503.21577>
