

## **Session Program**

**14-16 Jun 2023**

# **Nonperturbative QFT in the complex momentum space**

## ***Wednesday Morning Session 1***

Maynooth University, Physics and Chemistry Theatre (PCT)

# Wednesday 14 June

09:00

## Wednesday Morning Session 1: Gauge Invariance

**Session** | **Location:** Maynooth University, Physics and Chemistry Theatre (PCT) | **Convener:** Jon-Ivar Skullerud

09:00–09:15

### Opening

**Speaker**

Jon-Ivar Skullerud

09:15–10:00

### Gauge (in)variant spectral properties of gauge-Higgs systems.

**Speaker**

David Dudal

10:00–10:45

### Different approaches to gauge-invariance in Yang-Mills theories

**Speaker**

Dr Duifje van Egmond

10:45
