

Session Program

14-16 Jun 2023

Nonperturbative QFT in the complex momentum space

Thursday Afternoon Session

Maynooth University, Physics and Chemistry Theatre (PCT)

Thursday 15 June

14:00

Thursday Afternoon Session: Hadron Properties III

Session | **Location:** Maynooth University, Physics and Chemistry Theatre (PCT)

14:00–14:45

Matter distribution in the proton -- the gluon scalar form factor

Speaker

Prof. Gastao Krein

14:45–15:30

Pion momentum distributions in Minkowski space

Speaker

Prof. wayne de paula

15:30
