

Session Program

14-16 Jun 2023

**Nonperturbative QFT in the complex
momentum space**

Thursday Morning Session 1

Maynooth University, Physics and Chemistry Theatre (PCT)

Thursday 15 June

09:15

Thursday Morning Session 1: Hadron Properties I

Session | **Location:** Maynooth University, Physics and Chemistry Theatre (PCT)

09:15-10:00

Spectral reconstruction with Gaussian processes

Speaker

Julian Urban

10:00-10:45

Spectral reconstruction from lattice correlator

Speaker

Dibyendu Bala

10:45
