

Session Program

14-16 Jun 2023

**Nonperturbative QFT in the complex
momentum space**

Thursday Morning Session 2

Maynooth University, Physics and Chemistry Theatre (PCT)

Thursday 15 June

11:15

Thursday Morning Session 2: Hadron Properties II

Session | **Location:** Maynooth University, Physics and Chemistry Theatre (PCT)

11:15–12:00 **Pion GPDs and GFFs from data and DSE**

Speaker

José Rodríguez-Quintero

12:00–12:45

Light cone parton distributions from lattice quantum chromodynamics

Speaker

Savvas Zafeiropoulos

12:45
