

Session Program

24-28 Oct 2022

**HIPSTARS 2022 - Workshop on Heavy Ion
Physics and Compact Stars**

School

Monday 24 October

12:30

School

Session

12:30–14:30

Hydrodynamics, Thermalization & Entanglement from Spacetime Geometry

Speaker

Matthias Kaminski

14:30–16:30

Work on student presentations

Speaker

Marcus Bleicher

16:30

Tuesday 25 October

14:30

18:30

School

Session

14:30–18:30

Hadron physics

Speaker

Frank Nerling

Thursday 27 October

14:30

18:30

School

Session

14:30–18:30

TBA

Speaker

Marcus Bleicher

Friday 28 October

14:30

16:30

School

Session

14:30–16:30

AGN Physics

Speaker

Thomas Boller
