

$f(R,T)$ gravity and Godel Solution

Wednesday 26 April 2023 15:15 (15 minutes)

In this short presentation, I will discuss about the research work regarding $f(R,T)$ gravity and solutions under various functional form of $f(R,T)$ for Godel universe.

Presenter: BISHI, Binaya Kumar (University of Zululand)

Session Classification: Research Talk 10: QIT/ML/Neutrinos/Astrophysics/Cosmology

Track Classification: Cosmology
