

Linear Collider Vision

Effort Name: **Linear Collider Facility at CERN**

Short abstract:

We present a plan for a staged e⁺e⁻ linear collider Higgs factory at CERN as the next major CERN project.

Contact information: (US) Michael Peskin (mpeskin@slac.stanford.edu)

(global) Jenny List (jenny.list@desy.de)

Useful links: <https://agenda.linearcollider.org/event/10624/>

White papers: ["A Linear Collider Vision for the Future of Particle Physics"](#)

(review of physics, detectors, accelerators for linear e⁺e⁻colliders)

["The Linear Collider Facility \(LCF\) at CERN"](#)

(case for the LCF@CERN, with detailed description and cost)
