

Session Program

6-7 Jun 2025

2025 Theory Canada 17
Condensed Matter Theory

University of Regina
Regina, Saskatchewan.

Saturday 7 June

09:30

Condensed Matter Theory

Session | Location: Education Bldg, 191 | Convener: Robert Petry

09:30–10:00 Topological Landau theory

Speaker
Joseph Maciejko

10:00–10:15 Properties of Holstein polarons at finite temperatures

Speaker
Jeet Shannigrahi

10:15–10:30
Exploring Collapsed Single-Walled Carbon Nanotubes as Quasi-1D Electronic Systems

Speaker
Zachary Ireland

10:30
