

The 22nd International Conference on
Strangeness in Quark Matter
22-27 March, 2026, Los Angeles, CA

Contribution ID: 276

Type: **not specified**

Theory Overview: QCD Phase Structure at High Density Region

Monday, 23 March 2026 16:35 (30 minutes)

Presenter: SORENSEN, Agnieszka (FRIB)

Session Classification: Plenary
