

[Second Circular] Southeast Asian Workshop on Nuclear and Hadron Physics 2025

Dear Colleagues,

We are pleased to announce the Southeast Asian Workshop on Nuclear and Hadron Physics, which will take place at the Department of Physics, Universitas Gadjah Mada (UGM), Yogyakarta, Indonesia, on August 19-21, 2025.

UGM website: <https://seanhp.ugm.ac.id/>

Indico page: <https://indico.global/event/13949/>

1. Topics

This workshop aims to bring together researchers from across the region to discuss a broad range of topics, including:

- Hadron spectroscopy and structure
- Hadrons in nuclear matter
- Nuclear structure and reactions
- Nuclear astrophysics
- SM and BSM studies in hadrons and nuclei

We invite interested researchers, including students and early-career scientists, to participate and contribute to the discussions. Non-speaker participation is also welcome. This is an in-person event, and we strongly encourage participants to attend on-site. However, online participation may be granted upon approval for those who face difficulties in traveling.

2. Invited Speakers (to be updated)

Here is the list of confirmed speakers in alphabetical order:

- **Adnan Bashir** (IFM-UMSNH, Mexico)
- **Ahmad Jafar Arifi** (Japan Atomic Energy Agency, Japan)
- **Chalis Setyadi** (Universitas Gadjah Mada, Indonesia)
- **Daris Samart** (Khon Kaen University, Thailand)
- **Heribertus Bayu Hartanto** (APCTP, South Korea)
- **Hyeondong Son** (Inha University, South Korea)
- **Ilham Prasetyo** (Sampoerna University, Indonesia)
- **Jingle Magallanes** (Mindanao State University, Philippines)
- **Kiyoshi Tanida** (Japan Atomic Energy Agency, Japan)

Deadline: **July 18th, 2025 (Friday)**

The registration fee is:

- 350.000 IDR for researchers
- 150.000 IDR for students

The registration fee includes lunch, refreshments, and a banquet during the workshop. The workshop is partly supported by UGM and no proceedings will be published.

4. Abstract Submission

Alongside the invited talks, we also welcome the abstract submission from researchers and students. The submission can be done via:

Link: <https://indico.global/event/13949/>

Deadline: **July 4th, 2025 (Friday)**

5. Visa

Most participants, especially from Southeast Asian countries, can enter Indonesia visa-free for short stays. Visitors from other regions may require a Visa on Arrival (VoA) or an e-Visa, depending on their nationality. The VoA is available for many countries and can be obtained upon arrival at Yogyakarta International Airport (YIA). The VoA can also be applied in advance from <https://evisa.imigrasi.go.id/> (please choose B1 (VoA) visa, fee: IDR 500,000). For assistance, please contact the organizers.

6. Accommodations

- Participants can stay at the UGM University Club Hotel, which is conveniently located on campus. The hotel offers comfortable rooms, modern amenities, and easy access to the workshop venue. Please note that room capacity is limited. If you have confirmed your travel, we recommend booking your hotel as soon as possible. Some rooms can be shared by two people.

Both the University Club (UC) UGM and Wisma Kagama require a walk of approximately 700 meters to the venue of the workshop.

- For those seeking other options, Yogyakarta has a range of accommodations, from budget-friendly guesthouses to international hotels, all within a short distance of UGM. You will find nice hotels with reasonable prices from the link below. Please note that the University Club Hotel cannot be reserved from here.

7. Access

Yogyakarta is accessible via Yogyakarta International Airport (YIA), which connects to major international and domestic destinations. The airport is located approximately 45 km from Universitas Gadjah Mada (UGM), with several transportation options available: Airport train, shuttle bus, and taxi/ride-hailing service. We will provide assistance for international participants.

We look forward to your participation and hope to see you in Yogyakarta!

Best regards,

Organizing Committees
